for
Procurement of Wind Turbine Systems

Subject: Invitation to Participate – Procurement of Wind Turbine Systems for ULP-RES onshore wind park

Dear Supplier,

UTILITAS WIND SIA, as a beneficiary of the EU-funded project, hereby invites your company to participate in the procurement procedure for the Design, Delivery, Installation, and Commissioning of Wind Turbine Systems at Republic of Latvia, Valmiera municipality.

The procurement is conducted as a Negotiated Procedure in line with EU grant principles of transparency, competition, and equal treatment.

Key details:

- Scope: Supply, installation, commissioning, and warranty of up to 18 onshore wind turbines with the total installed capacity between 110 to 130 MW and a completion target of 2027.
- Estimated value: above EUR 100 000 000.
- Procedure: Competitive Procedure with Negotiation (3–5 shortlisted candidates).
- Award criterion: Performance per Euro Invested (PPE) – the best ratio of expected net annual energy output to the total evaluated cost which includes capital expenditure and discounted maintenance costs.
- Deadline for requests to participate: **3 December 2025, 15:00 (EET)**.
- Upon request, a full set of preliminary technical specifications will be provided to interested Tenderers. In case any updates are made for the second stage, the revised documents will be highlighted in the invitation to the second stage.

The full Procurement Notice has been published at <https://utilitas.ee/en/utilitas/tenders-and-projects/> and <https://enotices2.ted.europa.eu/edit-notice/1897857?sectionId=GR-Organisations-Section&save=true>.

We kindly request you to submit your request to participate in English by the deadline indicated.
